Why John E. Massengale Shot at Richard Hoban Last Night.

About 10 o'clock last night Richard Hoban was in the room of Julia Cowen, a servant in the employ of John E. Massengale, at 220 Taylor avenue. What right he had there or how he obtained entrance to the house is not known. After a short scuffle he hid himself under a chair and began to shout. Hoban heard the girl scream. He hurried to her apartment where she informed him that by threats and force Hoban had taken from her finger two gold rings and escaped into the yard. Mr. Massengale followed and found the boy. Hoban was clinging to a branch of a tree. Finding him hiding in a place discovered, Hoban rose and took to his heels. Hoban shot at him, but missed. Mr. Massengale gaged him. Massengale fired a charge of bird shot at the fugitive and brought him to the ground with his scalp riding high. Hoban was then bound and carried to the Fifth District Police Station where after hearing his stories, Massengale was released and sent home. Hoban is a single man 22 years of age and resides at Ewing avenue and Atlantic street. He claims that he was trying to get away from a man who was charging him with past larsony has been sworn out.

NEW YORK, July 26.—MEETING of the Amateur Athletic Union was held last evening in the Astor House, the result of which will probably be the immediate settlement of the strife which has been carried on between this organization and the National Association of Amateur Athletes of America during the past year. The meeting was a very long one. At 5 o'clock in the afternoon there gathered in a private parlor of the Astor House, President Harry McMillen of the Schuyler Navy Athletic Club of Philadelphia, A. G. Mills of the New York Athletic Club, Howard Perry of the Columbia Athletic Club of Washington, A. C. Stevens of the New Jersey Athletic Club, Dr. B. Dowling of the Orange Athletic Club of Orange, N. J., F. W. Jensen of the Staten Island Athletic Club and Secretary J. L. Thompson of the American Athletic Club of this city. A dinner was served and then the gentlemen sat down to business. The meeting was held in executive session and lasted until 11:30 o'clock, when Mr. Sullivan gave out the following resolution, which had been unanimously adopted:

Resolved, That A. G. Mills, A. C. Stevens and Dr. Dowling are hereby appointed a committee to confer with the National Association of Amateur Athletes of America in regard to the subject of amalgamation.

This is the first time the union has recognized the National Association as an athletic body, it having maintained that the association did not exist.

In giving to the National Association they claim to have acted solely for the good of amateur athletics. They say they desire to join hands with the National Association and stop a silly antagonism which had become obnoxious to every one interested in athletics.

There is every reason to believe that a satisfactory settlement will be arrived at so that both associations can be unanimously blended into one. The plan of action is to meet with the National Association of Amateur Athletes of America on the 1st of August.
